Notes from the boss.....

Since my last notes we have entertained Exeter City at home and travelled away to Rochdale. Four points from those games have kept us in contact with the League leaders although it took substitutions in both matches along with tremendous vocal support from the massive following at Rochdale which encouraged the players when all appeared lost.

We welcome Swansea City to Burnden Park today in what I hope will be an entertaining game. It will obviously be a difficult match as Swansea must have been lifted after their superb 3-0 win last Saturday against high flying Leyton Orient.

Fans will be pleased to know that Peter Bell is progressing steadily and is now building up his training. It has been a long and worrying time for the boy but he is now also mentally prepared and looking forward to a full recovery.

The F.A. Cup draw was rather unkind to us in giving us another away match. However we will be

playing a team in the same division and we know it is a tough con-
signment against a good Burnley side led by George Oghani. The defence are well aware of George's capabilities and he will have to be well policed but hopefully we will produce our best form and progress into the next round.

Our Youth team commence their F.A. Cup challenge on Monday when they meet Hull City at Burnden Park. Kick off 7 p.m. I hope that as many of our supporters as possible will be here to cheer them to victory.

SWANSEA CITY

Things are looking good at Swansea where not so long ago club liquidation was a real threat.

In his first full season free of financial worries, manager Terry Yorath brought the hope of promotion to the Vetch Field. Swansea were in contention for most of the season but in the end there was nothing to show for the team's efforts except twelfth place in Division Four. But under Yorath's guidance and influence, Swansea gave the home crowds entertaining football. The club feels a sudden spate of injuries and suspensions robbed them of a

promotion play-off place. With the money worries over and backed by a strong board led by chairman Doug Sharpe, Yorath will be making additional signings to strengthen his promising squad. For a great part of the season that looked capable of taking Swansea out of the Fourth Division.

Not only has Swansea been rescued from oblivion but the future indeed is rosy. Yorath, whose coaching brilliance did much to see Bradford City race up the Football League, sees the Welsh club starting a climb back to glory.

Back Row Left to Right: Joe Allon, Phil Williams, Chris Harrison, Gary Emmanuel, Keri Andrews, Alan Davies.

Middle Row Left to Right: Paul Raynor, David Hough, Alan Knill, Mike Hughes, Andrew Melville, Jason Ball, I. n Love, Ron Walton.

Front Row Left to Right: Sean McCarthy, Terry Yorath (Manager), Dudley Lewis, Tommy Hutchison, Colin Pascoe.

AROUND THE LEAGUES!

In Division 1, rampant Liverpool overcame the Luton plastic surface where a Gillespie header proved to be enough to win the points, and QPR kept up their challenge with a 2-1 home victory over Portsmouth but they had to wait until the 85th minute to settle the issue.

Sharp as ever Everton won with a goal in each half against wobbling Watford, while Cloughie's Notts. Forest fired Tottenham out of sight with a 3-0 victory to keep on the fringe at the top.

In Division 2, the top four clubs had to be content with a share of the spoils. Blackburn 'pinched' two points from Plymouth thanks to a Sellars penalty in the last minute and Oldham had a fine win at Shrewsbury, 3-2 thanks to a Palmer hat-trick.

Manchester City, fresh from their mid-week victory at Bradford City had the Divisions highest attendance, just over 17,000 but had to settle for a draw with visitors Barnsley.

In Division 3, it was a day for local 'Derbys'. Blackpool and Wigan finished as they started. Bury had a convincing 4-0 win over Warren Joyce's new club, proud Preston. Leaders Sunderland occurred their three points with a victory of 4-2 over visitors York.

In the fourth leaders Scarborough entertained unpredictable Hartlepool and had to settle for a 1-1 score draw. Second placed Scunthorpe kept their momentum going with a good 2-1 win

over ever improving Cardiff.

Burnley's long trek to Torquay proved to be worthwhile coming away with maximum points.

Today's visitors Swansea put the skids under Leyton Orient with a nice 3-0 victory. Fourth placed Wolves had to settle for a 2-2 draw at Darlington where all the goals came in the first 45 minutes.

Rochdale	2
Bolton Wanderers	2

After conceding 17 goals in three matches, Rochdale patched up their defence — and it looked as if they were on their way to a surprise victory.

Then the Wanderers, who had been second best, hit back with a couple of face-savers.

There was plenty of excitement with Rochdale escaping some harrowing situations in the first-half and even going in front midway through with a goal by Bramhall.

It looked like three useful points when Parlane made it two early in the second period.

But Thomas pulled one back before Bolton grabbed a point through a penalty in injury time. The award must have had a question mark over it because at least two Bolton players looked yards offside when Thomas went down.

He got up to score from the spot, a personal reward for an enterprising display that usually spelled trouble for the home defence.

FRANK WORTHINGTON
A 'WORTHY' CONTINUATION

Readers who missed the programme number 10 issue versus Exeter City might be well advised to purchase any unsold copies from the Souvenir shop for today we continue a Frank Worthington exclusive.

Flamboyant Frankie is one of the games characters, individuals and extraverts. He has spent his life around the leagues at different levels from the National scene right down to the Fourth Division.

It was at Tranmere Rovers where he first tried to combine the responsibilities of player and manager. After a short spell the Prenton Park Directors dispensed with his services but Frank has no qualms. He said, "I enjoyed my first spell in management. I was short of a bit more backing and if money could have been made available for a couple of good players we could have been a good side. With only thirteen professionals it was a difficult job and I enjoyed the experience. If a similar post was offered again I would have another go."

During his time at Bolton, Frank ventured to perform his

skills in the States along with several other top players at the time. Of this experience Frank said, "In the U.S.A. they tried to introduce soccer at the top without doing the groundwork first, but now all the kids are playing soccer at school. I watched a few youngsters out there and they've got the physical strength, if the Yanks can find something in between they could develop good players.

Maybe in 10 years time, they could be competing in the World Cup. Can you imagine playing against a seven foot centre forward? — That could create problems!"

On the street Frank Worthington could be described as a fashion man. We have seen him in the cowboy style hat but he takes the view, "you dress to be yourself and I feel this to be my way of dressing up. My hat is in the car right now" he concluded.

Think what you may about 'Worthy' but many supporters would gladly raise their hats to another.

FLASH BACK

5 YEARS AGO. 26th October, 1982.

The Wanderers went out of the Milk Cup, losing 2-1 at Watford, and by 4-2 on aggregate. Bolton went down fighting, levelling the scores, thanks to a 23rd minute goal from player manager John McGovern. The game went into extra time and the home side won through thanks to goals from Steve Simms and Luther Blissett.

30th October, 1982. Transfer listed Tony Henry was recalled to the Bolton side for the visit to Queens Park Rangers. The London jinx struck again with the Rangers winner coming from Simon Stainrod in the first minute of the second half.

10 YEARS AGO. 29th October, 1977.

Bolton took on fellow promotion contenders Luton Town at Burnden. A crowd of 20,113 saw the visitors take the lead in the 7th minute. A Steve Buckley shot seemed well covered until Ron Futchter deflected it with his head and into the net. The Wanderers didn't equalise until seven minutes into the second half. Luton 'keeper Melija Aleksic, who had made some brave saves in the first half, allowed a powerful Willie Morgan shot through his grasp and it fell behind the line. Bolton's winner came in the 82nd minute, Frank Worthington scoring his fifth goal in six games, Willie Morgan supplying the cross for the forward to head in at the far post.

15 YEARS AGO. 30th October, 1972.

Bolton were without the injured Alan Waldron for the visit to Wrexham but it didn't prevent them becoming the first side to win at the Racecourse during 1972-73. Ron Phillips opened the scoring with a low shot past Brian Lloyd after 19 minutes. The Welshmen equalised from the penalty spot, Arfon Griffiths converting the kick, the award coming after John Ritson had fouled David Smallman. Garry Jones restored Bolton's lead in the 70th minute and Stuart Lee made sure of victory with the third goal eight minutes later.

RESERVES NEWS

Port Vale Reserves 1
Bolton Wanderers Reserves 1
14th October, 1987.

The Wanderers continued their good away form by picking up a point in a game of two halves. They could, however, have had the game sewed up by half time with a number of chances going begging.

Nicky Spooner opened the scoring for the Wanderers in the eighth minute with a well executed goal. The youngster played a one-two with Paul Burrows along the right wing and then released a 25 yard dipping shot that flew into the net.

Vale equalised in the 36th minute with Polgrave heading home a left wing corner although the Wanderers continued to be the more dangerous.

Ian Stevens twice shot wide in one against one situations and Trevor Morgan and Neil Whatmore both went close to the target.

Bolton lost their way in the second half and Vale took the initiative but the Wanderers defence stood firm with debutant Malcolm Jackson impressive.

Team: Price, Hughes, O'Brien, Spooner, Jackson, Neal, Burrows, Callaghan, Stevens, Morgan, Whatmore. Subs. Brown for Hughes, Booth for Whatmore.

Bolton Wanderers Reserves 1
Scunthorpe United Reserves 1
21st October, 1987.

The Reserves came from behind to earn a point in a game that appeared to be slipping away from them.

Neither side took a grip of the first 45 minutes and United didn't help matters with a negative attitude. They opened up much more in the second half and took the lead in the 51st minute through Anthony Dawes. Dawes almost put the visitors two up but Ryan Price saved well to keep the Wanderers in the game.

Two substitutions by the Wanderers added some spice to the attack and this prompted their best spell of the game. The equaliser came ten minutes from time, Nicky Spooner's accurate pass finding Neil Whatmore, who drew two defenders before placing the ball into the path of Ian Stevens who blasted home.

In a hectic final few minutes both Stevens and Whatmore missed good chances for the Wanderers who also had a penalty appeal turned down.

Team: Price, Brown, O'Brien, Banks, Jackson, Winstanley, Burrows, Callaghan, Stevens, McKearney, Whatmore. Subs. Spooner for McKearney, Booth for Burrows.

WHEN THINGS GO BUMP IN THE NIGHT!

Bring on the Taffs, today we welcome Swansea and then travel down to the Valleys for Tuesday nights match at Newport.

Both teams at present are at the wrong end of the Division, but judging by recent results are slowly but surely climbing in the right direction.

Today (as if you didn't know) is Halloween, a day when ghouls and spirits come out and haunt us. Now many people might scoff and laugh at that, but not me, especially after being confronted by Mick Brown in a darkened corridor. David Felgate seems to feel the same way, because David never drops a cross when a evil looking forward lunges towards him, fangs at the ready.

Dave Sutton is another, when removing his front false teeth, who reminds one of being another Vincent Price, but Sooty flatly denies that his all time favourite record is 'all I want for Christmas is my two front teeth'.

Now that the clocks have gone back and the nights have drawn in, Winter is virtually upon us, the time of year when the ardent supporter, digs out the essentials his thermal underwear and most important of all, his flask. Many a cold Saturday afternoon has been warmed up on the stroke of half time by the taste of coffee laced with a drop of rum.

It's good to see quite a number of the injured lads getting back to fitness, although in Jeff Chandler's case, we are going to have to wait a bit longer. Peter Bell is doing very well and travels to and from his Leigh home by bike, rumour has it that Peter could well be entering the 'Milk Race' next Summer but I think he should stick to the 'Tour de Daubhill'.

Gary Henshaw and Trevor Morgan should soon be back in action and ready to make competition for places even keener.

On closing this week, belated Birthday wishes go to young Nicky Brookman, who was 19 last Wednesday. Gel-head as he is nicknamed by his team-mates as forced his way into the team and by his performances so far, it's going to take a good 'un' to get him out. Young Nicky will be hoping to be in the team, when the Whites visit his former Club, Newport later this week.

Barclays League Performance of the Week: An Investment in the Grass Roots!

Barclays League Eagle Award for the Club performance of the Week will consist of a £650 weekly award to a Boys Club nominated by FLESA members at the winning club.

From October 17th a panel of leading FLESA members including current club managers David Pleat, Bruce Rioch (Middlesbrough), Mick Buxton (Scunthorpe United), Arthur Cox (Derby County) and Graham Taylor (Aston Villa) will select each week the outstanding club performance of the previous seven days in Barclays League competitions or the F.A. Cup.

The award - a cheque for £250 and a new set of team strip - has been widely welcomed by the boys clubs which have produced many outstanding players over the years including five members of the current England squad: Peter Shilton, Peter Beardsley, John Barnes, Gary Lineker and Terry Butcher.

Derek Harris, national director, National Association of Boys Clubs, said: "The NABC are delighted to be involved in the Barclays Bank Performance of the Week Award. Association football remains extremely popular throughout the Boys club movement and this sponsorship will be followed with great interest nationwide."

Barclays League Young Eagles Awards for Young Player of the Month and Young Player of the Year: An Invest-

ment in the Future!

Barclays League Young Eagle of the Month will receive an inscribed silver salver and a cheque for £250 to his nominated charity and the regional selections will each receive an inscribed salver.

Barclays Young Eagle of the Year will receive a specially-commissioned silver trophy and a £5,000 Barclayshare portfolio.

The panel for these awards will include Ron Greenwood, Bill Nicholson, Bob Paisley, Stan Cullis, Jackie Milburn, Trevor Cherry and Mike England.

Barclays League Goalscoring Awards: An Investment in Entertainment!

The Barclays League Goalscoring Awards will provide a significant incentive to clubs and players throughout the season. Goals are what the fans want to see and these awards are specifically designed to reward adventurous football.

Each month, the club scoring the most goals in Barclays League matches within their division, will receive the following cash awards:

Division One	—	£3,000
Division Two	—	£1,500
Division Three	—	£ 750
Division Four	—	£ 750

The first award will be made at the end of October and will take account of the total numbers of goals scored so far this season. Thereafter, each month's goal tally will be calculated separately, although the award for April/May will be combined.

REFLECTIONS!

We welcome Swansea City to Burnden Park today for the 17th League meeting between the two clubs.

The Welshmen have the better record in these encounters to date due to the Wanderers poor record at the Vetch Field where only one win and one draw has been recorded in eight visits.

Swansea first visited Burnden in December 1933, a second division fixture resulting in a 2-1 win for Bolton, Ray Westwood and Jack Rimmer scoring the goals. The following April, a scoreless draw resulted in South Wales, this being the only time that the Wanderers have kept a clean sheet there.

More recently Bolton's three visits to Swansea in the 1980's have all ended in defeat. During the same period Swansea themselves haven't done too badly at Burnden. In September 1980 the Swans romped home by 4-1. Alan Waddle scored twice for the visitors, Leighton James and Neil Robinson also finding the net, Neil Whatmore netting a late consolation goal for the Wanderers.

Swansea won promotion to the first division at the end of that season but when our paths next crossed at Burnden, in February 1985, it was at third division level. This game produced the only scoreless draw between the clubs at Burnden.

In October 1985 the spoils were once again shared in a 1-1 draw. This was a controversial affair with Swans manager, John Bond, slamming referee George Courtney. Colin Pascoe gave Swansea a 52nd minute lead but they were reduced to ten men in the 80th minute when John Sharpe was sent off for a second bookable offence. Five minutes later Bolton were level, Mr Courtney awarding a penalty after Graham Bell had been tripped, Steve Thompson converting the kick.

DAVE'S HALF CENTURY!

Dave Felgate celebrated his 50th League game in a Wanderers jersey by keeping a clean sheet against Exeter at Burnden.

The Wanderers defensive record has seen a marked improvement so far this season with

only three goals conceded in the League here at Burnden. This is the best in the first eight home games of the season since 1974-75, let's hope it continues today.

GOLDEN OLDIES!

4th April, 1973. For today's golden oldies we look back at the Wanderers only win at Swansea and the debut of a 17 year old striker, Neil Whatmore.

The Wanderers were leading the third division at the time but a cluster of five clubs were hot on their heels. Swansea on the other hand were also desperate for points to stave off relegation to division four.

Swansea took the lead thanks to a penalty from Geoff Thomas but the Wanderers hit back to take the lead. Firstly Whatmore, who had replaced Ralph Wright in the side, equalised before John Byrom rocketed home one of his specials. Whatmore then rounded off a memorable debut with his second goal to give the Wanderers a two goal half time advantage. The only goal of the second period came from Bolton, Roy Greaves putting through his own goal, but the Wanderers held on to win 3-2.

This game came three days after the introduction of value added tax thus making all clubs liable for entertainment tax.

As a consequence many clubs had to increase their admission charges from this date Swansea being one of them.

OUT & ABOUT

ONE MAN'S VIEW!

Letter from M. Gregory, Bolton.

Dear Sir,
I felt I must write to express my views on the Match Day programme. On some counts it has improved on previous years efforts, but I think there are a few ways in which it can be improved:

1. The colour — I agree with varying it, but come on whats with this pink colour, we must be the laughing stock of the footballing world. Or has the colour been chosen to match Phil Neal's favourite colour.
2. Directions to away matches - I feel that adding the distance in miles would be a helpful addition. Also would it be possible to show admission prices and maybe a plan of the ground showing our viewing position.
3. The addition of more action shots of the lads. At present we have the centre pages and front cover allocated for photos. Cutting down much of the increased advertising will provide space for more pictures.
4. How about giving us some information on the 'A' team and our youth team progress. Lets not forget these lads are our future first teamers and with the Youth team winning the Lancs Youth Cup last season, they must be worth a mention.

On the other hand I would like to praise you on the addition of 'Safe Hans' (who provides much of my half time entertainment) and the popular 'Face in the Crowd'. These have improved the programme from last term. Finally, I have an enquiry. It is on page 2 under the honours. I have noticed that our 1958/59 Charity Shield victory (4-1 versus Wolves) is not stated. Why is this so? Surely we haven't forgotten this have we? I hope you consider my points as I feel it would make a far better programme.

EDITOR'S COMMENT!

The colour is actually Rubine Red, and Phil has two favourite colours — white and navy.

We have taken up your point on admis-

ions and included them this week. Distance? I have about as much idea as you. Our stationist may take up your points on the Youth and 'A' teams.

Glad you enjoy the column written by German goalkeeper 'Safe Hans' — he was always a better writer than player!

Oops, you have caught us out — the Charity Shield Honour is now included but it was also missing all last season. Pleasant reading.
